20th Anniversary Kyoto University-Tsinghua University Cooperative Research and Education Center for
Environmental Technology (CRECET) Symposium

Organizer: Graduate School of Engineering (GSE), Kyoto University
Graduate School of Global Environmental Studies (GSGES), Kyoto University
Co-organizer: Shenzhen International Graduate School (SIGS), Tsinghua University
Supporter: Council of Kyoto University-Tsinghua University Cooperative Research and Education Center
for Environmental Technology (CRECET)

1. Purpose

To celebrate the 20th anniversary of the establishment of the Kyoto University-Tsinghua University Cooperative Research and Education Center for Environmental Technology (CRECET), we will look back on the past 20 years of activities and exchange opinions on the direction of future development. We will also share cutting-edge topics related to environmental issues in China and Japan, and inform relevant parties of the activities of both universities aimed at nurturing the next generation, in order to gain understanding and cooperation for the activities of this center.

2. Date

1:00 PM -8:00 PM on July 13 (Sunday), 2025

3. Place

Kyoto University Clock Tower International Exchange Hall I & II

4. Program

Address from Master of Ceremony

Prof. Taku Fujiwara, Vice Director of CRECET, Japan, GSGES, Kyoto University

Opening remarks

Prof. Yasuto Tachikawa, Dean, GSE, Kyoto University

Congratulatory remarks from Kyoto University

Prof. Tetsuo Sawaragi, Vice President, Kyoto University

Congratulatory remarks from Tsinghua University

Member of CAE, Prof. Jiming Hao, Tsinghua University

Congratulatory remarks from Founder

Emeritus Prof. Hiroshi Tsuno, Kyoto University

Congratulatory remarks from Tsinghua University

Prof. Hongying Hu, Director of CRECET, China, Dean of Xiuzhong College, Tsinghua University

Congratulatory remarks from Supporting council

Mr. Sadao Mino, President of Council of CRECET

Congratulatory remarks from Guest

Emeritus Prof. Hiroaki Tanaka, Former Director of CRECET, Japan, Kyoto University

Gift Exchange

Prof. Tetsuo Sawaragi, Vice President, Kyoto University and
Member of CAE, Prof. Jiming Hao, Tsinghua University

Presentation of a letter of appreciation to Council of CRECET

Prof. Yasuto Tachikawa, Dean, GSE and, Prof. Chihiro Tanaka, Dean, GSGES, Kyoto University

Photo Session + Break

CRECET activities in 20 years

Prof. Masaki TAKAOKA, Director of CRECET, Japan, GSE, Kyoto University

International education and cooperation of Shenzhen International Graduate School, Tsinghua University

Prof. Jian'e Zuo, Vice Dean, SIGS, Tsinghua University

Experience in Double Master Degree Program

Mr. Tomohiro Okugawa, GSE, Kyoto University

Global Environmental Implications of Green Ammonia

Prof. Shinichiro Fujimori, GSE, Kyoto University

Break

Thoughts on Carbon Emissions from Urban Sewage Treatment Systems and Synergistic Technologies for
Pollution Reduction and Carbon Emission Mitigation

Prof. Yuntao Guan, Vice Director of CRECET, China, SIGS, Tsinghua University,

Guest Prof., GSGES, Kyoto University

Anthropogenic compounds and drinking water quality management

Prof. Shinya Echigo, GSGES, Kyoto University

Progress on Nitrogen Cycle and Its Contribution To Climate Change

Associate Prof. Longfei Yu, SIGS, Tsinghua University

Introduction of Research on Waste Management for a Decarbonized and Aging Society in Japan

Associate Prof. Kazuyuki Oshita, GSE, Kyoto University

Closing remarks

Prof. Chihiro Tanaka, Dean, GSGES, Kyoto University

Reassignment

Party @Kyoto University Clock Tower International Exchange Hall II & III
