Award Ceremony for Best Posters

15:40 - 16:00

Closing Remarks

Introduction of the Symposium Organizing Committee (GSGES & IPB)
Yasuyuki Kono (Vice President, KU)
Iskandar Z. Siregar (Vice Rector, IPB)
Remarks from the Next Host University

Poster Session

In this session, the research findings will be presented via Zoom. Presenters will deliver about 4-minute flash talks, based on their previously submitted posters. Best Poster Awards will be presented, based on anonymous evaluations by faculty members from participating universities. The award is open to students and young researchers who are under the age of 40 as of December 2, 2025.

Panel Discussion

Panelists from universities with close ties to the Graduate School of Global Environmental Studies (GSGES) will participate in a discussion on “Improving Sustainable Food Systems and Livelihoods”

International Research Project Session

As a major initiative this year, collaborative research projects have been launched in advance of the symposium with partner universities of GSGES. This session aims to share the concepts and progress of each research project, with the goal of sustainably advancing the International Research Project.

Executive Committee Members:

GSGES: Hirohide Kobayashi; Izuru Saizen; Takao Ichioka; Baars Roger C.; Kohei Kawaguchi; Yumiko Takemae; Jian Xu; Yuto Tada; Makoto Shibata
IPB University: Andrea Emma Pravitasari; Ernan Rustiadi, Nurhayati; Yuri Ardhya Stanny
